Explanations	

As Covid-19 pandemic's impact on the world continues, due to the changing customer demand and our customers' decisions to cease their productions, it is decided that the production in our facilities in Thailand (Thai Indo Kordsa) and tire cord productions in the USA (Laurel Hill) will be reorganized in the coming days.

Kordsa plant in Thailand will officially cease production for 2 weeks commencing April 25th, 2020 until May 7th, 2020.

Kordsa tire cord production plant in the USA will officially cease production for 2 weeks commencing April 28th, 2020 until May 11th, 2020.

During this period, orders prior to these dates will be delivered.

In such challenging period for the globe, Sabancı Holding affiliate Kordsa will continue to produce economic value for our ecosystem and for our investors, including primarily our employees, business partners and customers.
