

*EFFICIENT, DURABLE, EASY TO APPLY
RFID TAGS
FOR FUTURE CONNECTED TIRES*

RFID TIRE TAG SOLUTION

**Delivery
Tracking**

**Stock
Management**

**Tire
Monitoring**

**Recycling and
Retreading**

For Tire Makers

EMBEDDED RFID TAG

Compact, flexible RFID tags that can be embedded within a tire during manufacturing.

For Tire Development

EMBEDDED TEMPERATURE TAG

A flexible tag with a built-in temperature sensor enables data collection throughout the tire's lifespan.

For Fleet Management

AFTERMARKET RFID PATCH

Patch RFID Tags enable tire management for fleets during authentication, retreading and tracking.
